The National Headquarters designed a large number of activities to celebrate 75 Years of our Independence with active participation of young people. I am glad to learn that the National Level Rover/Ranger Carnival to celebrate 'Azadi Ka Amrit Mahotsav' held at Dharamshala, Himachal Pradesh with the blessings of Shri Jai Ram Thakur, Chief Minister of Himachal Pradesh & President, Himachal Pradesh State Bharat Scouts and Guides attracted the attention of the world as H.H. पूरे विश्व में भारतीयों द्वारा 'आजादी का अमृत महोत्सव' मनाया जा रहा है।

हमारे सदस्यों ने इस अवसर पर भारत सरकार द्वारा आयोजित विभिन्न कार्यक्रमों में सक्रिय रूप से भाग लिया। राष्ट्रीय मुख्यालय ने युवाओं की सक्रिय प्रतिभागिता के साथ हमारी स्वतंत्रता का 75वाँ वर्ष मनाने के लिए बड़ी संख्या में गतिविधियाँ तैयार की। मुझे यह जानकर प्रसन्नता हो रही है कि 'आजादी का अमृत महोत्सव' मनाने के लिए धर्मशाला, हिमाचल प्रदेश में राष्ट्र स्तरीय रोवर/रेंजर कार्निवल हिमाचल प्रदेश के मुख्यमंत्री एवं भारत स्काउट्स एवं गाइड्स के अध्यक्ष श्री जय राम ठाकुर के आशीर्वाद से आयोजित हुआ जिसमें सम्पूर्ण विश्व का ध्यान आकृषित किया क्योंकि महामान्य दलाईलामा ने दर्शन दिया एवं उस स्कार्फ को स्वीकार किया जो स्काउट/गाइड आन्दोलन की विश्वव्यापी शांति पहल का प्रतिनिधित्व करता है।

स्थानीय समाचार पत्रों ने हमारे देश की साँस्कृतिक विविधता का प्रदर्शन करने वाले एवं हमारे स्वतंत्रता सेनानियों के बलिदान को याद करने वाले युवाओं की कार्यवाही की सराहना की।

हम अपने देश के विभिन्न हिस्सों विशेष कर असम में बाढ़ की खबरें सुन रहे हैं। हम सभी को राहत गतिविधियों में योगदान देकर प्रभावितों के साथ खड़े रहने की आवश्यकता है।

आजादी का अमृत महोत्सव की शुभकामनाओं के साथ।

Personally Speaking अपनी बात

Scout movement is 115 years old. It was on August 1 in 1907, the first scout camp was completed on Brownsea Island. To commemorate this day, World Scarf Day was started. Most of our members recognise 'Scarf' as a very strong symbol of Scout Promise and the Scout's Mission to leave the world a better place. On this day, it is tradition that scouts all over the world wear the scarf in public to make the spirit of scouting visible. Once a scout is always a scout is our faith.

The 'Sustainable Developmental Goals' can be reached to all the beneficiaries provided the action is focussed on all ages of people. The young and the old persons are to be satisfied with their needs to leave no one behind. 12th August is the International Youth Day and this year we work on the theme 'Intergenerational Solidarity: Creating a world for All Ages'. We have to create awareness on unemployment, poverty, hunger, health, ageism etc. which create barriers to intergenerational solidarity. Our Scouts and Guides, Rovers and Rangers should participate in awareness programmes of SDGs, educate our next generation for a better living and participate in social work. Adult leaders may give them guidance in organising related activities and programmes.

15th August of every year witnesses the celebration of India's Independence Day. We have been celebrating Azadi ka Amrut Mahotsav for the past one year by paying tributes to all the freedom

स्काउट आन्दोलन 115 वर्ष पुराना है। 01 अगस्त को ब्राउनसी द्वीप पर प्रथम स्काउट शिविर पूर्ण हुआ था। इस दिन को मनाने के लिए विश्व स्कार्फ दिवस प्रारम्भ किया गया था। हमारे अधिकांश सदस्य विश्व को एक बेहतर स्थान छोड़ने के लिए 'स्कार्फ' को स्काउट प्रतिज्ञा एवं स्काउट के मिशन के एक बहुत मजबूत प्रतीक के रूप में मान्यता प्रदान करते हैं। यह परंपरा है कि इस दिन, विश्व भर के स्काउट्स, स्काउटिंग की भावना को प्रकट करने के लिए सार्वजनिक रूप से स्कार्फ पहनते हैं। हमारा विश्वास है कि एक बार स्काउट हमेशा एक स्काउट होता है।

'सतत विकास लक्ष्यों' को सभी लाभार्थियों तक पहुँचाया जा सकता है बशर्ते कार्यवाही सभी उम्र के लोगों पर केंद्रित हो। युवा एवं वृद्ध व्यक्तियों को अपनी आवश्यकताओं से सन्तुष्ट होना चाहिए ताकि कोई पीछे न छूटे। 12 अगस्त अन्तर्राष्ट्रीय युवा दिवस है एवं इस वर्ष हम 'अंतरपीढ़ीगत एकजुटता: सभी उम्र के लिए एक दुनिया बनाना' थीम पर कार्य कर रहे। हमें बेरोजगारी, गरीबी, भुखमरी, स्वास्थ्य, उम्रवाद आदि के बारे में जागरूकता पैदा करनी होगी, जो पीढ़ी दर पीढ़ी एकजुटता में बाधा उत्पन्न करते हैं। हमारे स्काउट्स एवं गाइड्स, रोवर्स एवं रेंजर्स को सतत विकास लक्ष्यों के जागरूकता कार्यक्रमों में भाग लेना चाहिए तथा हमारी आगामी पीढ़ी को बेहतर जीवन जीने के लिए शिक्षित कर सामाजिक कार्यों में भाग लेना चाहिए। वयस्क लीडर्स उन्हें संबंधित गतिविधियाँ एवं कार्यक्रमों के आयोजन में मार्गदर्शन प्रदान कर सकते हैं।

प्रतिवर्ष 15 अगस्त भारत के स्वतंत्रता दिवस समारोह का गवाह बनता है। हम सभी स्वतंत्रता सेनानियों को श्रद्धांजलि अर्पित कर गत एक वर्ष से आज़ादी का अमृत महोत्सव मना रहे हैं। आइए हम 76वाँ स्वतंत्रता दिवस मनाने हेतु, अपने उन महान स्वतंत्रता सेनानियों को श्रद्धांजलि देने के लिए

fighters. For celebrating 76th Independence Day, let us organise programmes to pay homage to our great freedom fighters who had sacrificed their lives for the sake of our country and draw inspiration from their lives to work for our nation.

We may have come a long way from repressing women's rights, but we are still a patriarchal society in general. It makes the occasion of celebrating Women's Equality Day on August 26 more vital than ever. Today we get to see women representatives in the military, in space, and as CEOs of many companies. But they had to undergo many struggles to achieve equal rights. Scouts and Guides, Rovers and Rangers may organise awareness programmes about the equality to our women in all fields.

As the rainy season has started, let us organise tree plantation to make environment pollution-free.

Let us hope that the youth of our movement will represent in the 14th APR Conference of WAGGGS in Thailand on digital platform to discuss the issues related to the theme `Together We Thrive`.

Wear mask and maintain social distance.

कार्यक्रमों को आयोजित करें जिन्होंने हमारे देश की खातिर अपने प्राणों की आहुति दे दी एवं हमारे देश के लिए काम करने हेतु अपने जीवन से प्रेरणा प्रदान की।

हम महिलाओं के अधिकारों का दमन करने से भले ही बहुत आगे निकल गये हैं, परन्तु सामान्य रूप से अभी भी हमारा पितृसत्तात्मक समाज है। यह 26 अगस्त को महिला समानता दिवस मनाने के अवसर को पहले से कहीं अधिक महत्वपूर्ण बनाता है। आज हमें सेना में, अंतरिक्ष में और कई बड़ी कम्पनियों की मुख्य कार्यकारी अधिकारियों के रूप में महिला प्रतिनिधि देखने को मिलती हैं। लेकिन उन्हें समान अधिकार प्राप्त करने के लिए कई संघर्षों से गुजरना पड़ा है। स्काउट्स एवं गाइड्स, रोवर्स एवं रेंजर्स सभी क्षेत्रों में हमारी महिलाओं की समानता के बारे में जागरूकता कार्यक्रम आयोजित कर सकते हैं।

वर्षा का मौसम प्रारम्भ हो चुका है, आइए हम पर्यावरण को प्रदूषण मुक्त बनाने हेतु वृक्षारोपण का आयोजन करें।

हमें आशा करनी चाहिए कि हमारे आन्दोलन के युवा थाइलैंड में आयोजित होने वाले विश्व गाइड संगठन के 14वें एशिया प्रशान्त क्षेत्रीय सम्मेलन में डिजिटल मंच पर प्रतिभाग कर "हम एक साथ फलने फूलते हैं" थीम से संबंधित मुद्दों पर चर्चा करेंगे।

मास्क पहनें एवं सामाजिक दूरी बनाए रखें।

From Editor's Desk सम्पादक की कलम से

A youth organisation standing for the Life Skill Education need to review its programme and policies based on the latest trends in the community.

The WOSM and WAGGGS in their policies speak of gender balance. The programmes remain in papers. Scouts for SDGs are widely publicized, but programmes for action needs to be drafted based on the interest of the young people who will take up actions for their own future.

The older generation instead of standing in way of innovative and attractive programmes looking to the academic burden, should realise that tradition can only be maintained when we have a large follower ship.

The membership growth plans of the Bharat Scouts and Guides is badly affected due to stubborn attitude of few so called conservers of traditions of the movement.

Let us all look into our own families look for the drastic changes that happen due to television, mobile phone and internet. We all adapted to the changes, then why not change in programme and policies of the Bharat Scouts and Guides.

With Scout Guide Greetings.

जीवन शिक्षा हेतु बने एक युवा संगठन को समुदाय के नवीनतम प्रचलन के आधार पर अपने कार्यक्रम एवं नीतियों की समीक्षा करने की आवश्यकता है।

विश्व स्काउट संगठन एवं विश्व गाइड संगठन अपनी नीतियों में लैंगिक सन्तुलन की बात करते हैं। कार्यक्रम कागजों में ही रह जाते हैं, लेकिन कार्यवाही हेतु कार्यक्रमों को उन युवाओं की रूचि के आधार पर तैयार करने की आवश्यकता है जो अपने भविष्य के लिए इस पर आगे कार्यवाही करेंगे।

पुरानी पीढ़ी को अभिनव एवं आकर्षक कार्यक्रमों के मार्ग में खड़े होने की बजाय उनके शैक्षिक बोझ को देखते हुए यह महसूस करना चाहिए कि परंपरा को तभी बनाए रखा जा सकता है जब हमारे पास बड़ी संख्या में अनुयायी हों।

आन्दोलन की परंपराओं के कुछ तथाकथित संरक्षकों के हठपूर्ण दृष्टिकोण के कारण भारत स्काउट्स एवं गाइड्स की सदस्यता वृद्धि योजना बुरी तरह से प्रभावित हुई है।

आइए हम सभी अपने-अपने परिवारों में टेलिविजन, मोबाइल फोन एवं इंटरनेट के कारण होने वाले भारी बदलावों को देखें। हम सभी परिवर्तनों के अनुकूल हो गए, तो क्यों न भारत स्काउट्स एवं गाइड्स के कार्यक्रम एवं नीतियों में बदलाव किया जाए।

स्काउटिंग / गाइडिंग शुभकामनाओं सहित।

TRAINER'S CORNER

Scouts and Guides movement is based on its purpose, principles, values and the Method. These four pillars of the Movement give it a specific identity at local, state, national and international levels. Scout movement became popular all over the world within a very short time from the time it was founded because it has been identified as a movement for preparing youngsters to be good and efficient citizens. Scouting can succeed in fully achieving its educational purpose, only if its specific identity is protected.

If the movement is linked to any organisation or influenced by any other organisation or authority, it will have a negative impact on our movement because that organisation or authority may force us to change our ideals or purpose. So, our movement should have the capacity to take decisions freely by our own decision-making authority, without the interference of social, political or religious institutions. Our scout organisations at different levels may have partnership programmes with other institutions or organisations under the condition that educational purpose of scouting is not affected or influenced. It does not mean that our movement should operate in isolation. In fact, our movement has its specific identity and gain popularity at all levels due to the support of most of the institutions and other organisations.

At present, scouting movement is working on various global or national issues and is closely working with United Nations to achieve the SDGs. Let it be Plastic-tide-turner, child labour or issues related to girls, Scout Movement has been taking up such projects successfully in linking with other institutions or organisations. Whatever may be the issues, we work for them provided educational purpose of scouting is encouraged. At the same time, Scout Movement is highly cautious to protect our independence at different levels.

Members of our movement should be careful in protecting its self-identity and its common ethics. At all levels of the Movement, while we work with sponsoring bodies, working partners or similar organisations, governmental authorities, we are to be mindful in maintaining relationships with them, because we cannot compromise on our purpose, principles, values and the method.

Our movement at all levels may seek cooperation with other educational youth organisations, but such a cooperation must never lead to the loss or compromise of its own independence and specific

role in the education of young people. We may work with a religious or community organisations but such an organisation must never control our movement or it cannot treat our movement as a subordinate to it. In the same way, our links with local or national authorities must never affect our voluntary and non-formal educational role in society.

To conclude, on the nature of independence, all the members of the Scout Movement must note that the nature and specific identity of our Movement are internationally defined and agreed by all the National Scout Organisations.

Hints to our adult leaders:

- Work with other organisations or institutions following the procedure but they should not affect our purpose etc.
- Welcome sponsoring programmes but let them not misuse our Movement for their popularity.
- Choose the partnerships in such a way that such partnerships should not affect our fundamentals or educational purpose of the movement.
- It is everyone`s responsibility to protect the self-identity and help to popularise our movement for the safety, welfare and leadership of future generation.

SUSTAINABLE DEVELOPMENT GOALS

SDG 1: NO POVERTY

THE CHALLENGE The world attained the first Millennium Development Goal target—to cut the 1990 poverty rate in half by 2015—five years ahead of schedule, in 2010. According to the World Bank, in 2015, one in ten people were living on less than USD 1.90 a day. Nearly 1.1 billion fewer people are living in extreme poverty than in 1990. In 2015, 736 million people lived on less than \$1.90 a day. The latest World Bank projections show that if we continue down a

business-as-usual path, the world will not be able to eradicate extreme poverty by 2030. Children, too, are victims of global poverty, with 29000 children dying every single day from preventable causes – such as diarrhoea, malaria, neonatal infection, pneumonia, preterm delivery, or lack of oxygen at birth – which are more often than not highly correlated with poverty.

WHY IS THIS IMPORTANT? Poverty is more than just the lack of income or access to resources – it manifests itself in diminished opportunities for education, social discrimination and the inability to participate in decision-making processes. For instance, in developing countries, children in the poorest households are four times less likely to be in school than those of the richest. But extreme deprivation is not just about wellbeing and opportunity; it is a question of survival itself. In Latin America and East Asia, the poorest children are three times more likely to die by age 5 than the richest.

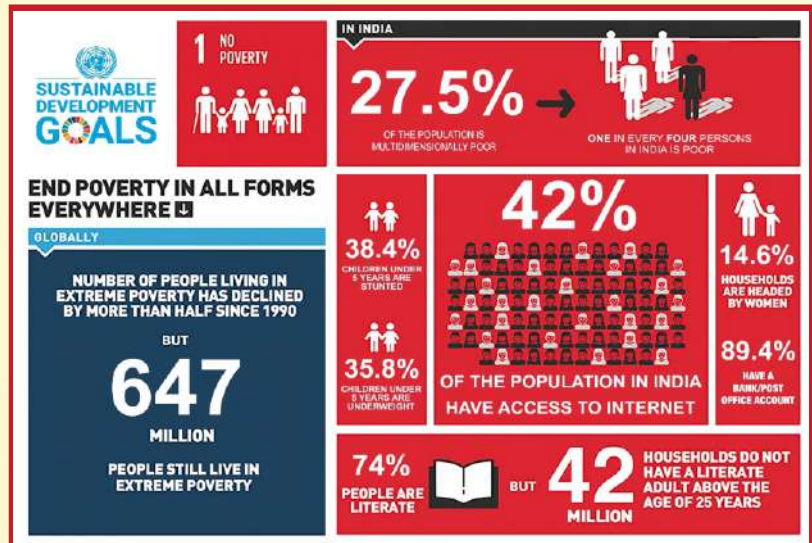

HOW CAN WE ADDRESS THIS? Ending poverty in all its forms everywhere forms the first goal of the 2030 Sustainable Development agenda. It calls for ensuring social protection, enhancing access to basic services, and building resilience against the impacts of natural disasters which can cause severe damage to people’s resources and livelihoods. The international community agrees, through the Sustainable Development agenda for 2030, that economic growth must be inclusive, especially of the most poor and vulnerable, and aims to eradicate extreme poverty for all people everywhere in the next 15 years.

INDIA AND GOAL 1

Global reduction in extreme poverty was driven mainly by Asia – notably China and India. Between 2005-06 and 2015-16, the incidence of multidimensional poverty in India was almost halved, climbing down to 27.5 percent from 54.7 percent as per the 2018 global Multidimensional Poverty Index report. Within ten years, the number of poor people in India fell by more than 271 million (from 635 million to 364 million). Traditionally disadvantaged subgroups such as rural dwellers, scheduled castes and tribes, Muslims, and young children are still the poorest in 2015-16.
